

Inclement Weather Update

When you completed your *yellow student information form* at the beginning of the school year, or when you enrolled your child at Shakerag, you noted how you would like for your child to be dismissed in the event of an **UNANNOUNCED** early release. As we get into the winter months, we would like to verify that the information we have on file is still accurate. Please complete the information below so we can verify/update our records for second semester. **This will only be used in the event that an early school closing is announced after the school day has already started.** In the event that there is an early closing announced the day prior, students will be dismissed their normal way unless a signed change of dismissal form is brought to school.

Student Name: _____ Grade: _____ Homeroom: _____

Please indicate below how you would like your child to leave school should it become necessary to close school unexpectedly during the normal school day. After making your decision, please share this information with your child.

In such an event, I request that Shakerag do the following: **(CHECK ONLY ONE)**

_____ My child should ride their normal school bus home. Bus #: _____

_____ My child will be picked up by his/her daycare. I will confirm with my daycare that they will be open and transporting children. Daycare Name: _____

_____ My child should stay at school until picked up by a parent/guardian or emergency contact. Please make sure your emergency contacts are listed/updated in our system for your child. If they are not in our system, we cannot release your child to them. This can be accomplished by sending in a signed note identifying who has permission to pick-up your child.
